THE RESIDENTS ASSOCIATION

The Residents of Thwaite Street and Surrounding Area (TASC) met and discussed their ideas and looked at the children's suggestions. Here are some of the things they would like

Something that looks nice

Pile up the rubble and spray the mounds with coloured concrete

Raised beds for flowers and vegetables

Somewhere visually stimulating

Fencing
Some want it all over, some want it in a small section

Seating for older people

Vegetable patch

Just a general tidy up

Flowers

Something for the children

A bin

Seats in the sunshine

A dog muck bin

A community postbox

An events space

Some areas left for wildlife to establish itself

Somewhere to sit on the way to town

Low maintenance

Somewhere children can be inventive

A gazebo

For it to have a focal point

Somewhere to barbeque

A meeting circle with an open space in the middle

Wide enough for wheelchairs and mobility vehicles

Hard surfaces, easy to clean/clear

Green space
