Miranda

Beloved husband, Ferdinand,
 you're probably my biggest fan
but all good things come to an end

and this is one. That's why I send
 this to note to say although you're quite a man
beloved husband, Ferdinand,

we're on the rocks of love my friend –
 it hasn't gone to plan.
And since good things come to an end

I've gone back to the Island
 to remember who I am.
Beloved husband, Ferdinand,

you'll think I'm building castles on the sand,
 but try not to be angry if you can –
all good things come to an end [repeat: then last stanza]

it's just tough luck – please understand:
 I'm still in love with Caliban.
Beloved husband, Ferdinand
 all good things come to an end.
