Dear Professor Campbell:

It is a pleasure to accept your manuscript entitled "Promoting early presentation of breast cancer in women over 70 years old in general practice" for publication in the Journal of Public Health.

Any comments made by the reviewers are available at the end of this email.

In order to publish your article, Oxford University Press requires that you complete a licence agreement online. A link to the online licensing system, and instructions on how to select and complete a licence, will be provided to you by the Production Editor at Oxford University Press in due course.

Any delay in the receipt of this copyright form WILL delay production and publication of your paper.

You will hear from our Production Department in due course regarding page proofs and offprints. Please do not send CDs or hard copies unless you are specifically requested to do so.

Thank you for submitting your work to the Journal of Public Health.

Kind Regards  
Professor Ted Schrecker  
Co-editor, Journal of Public Health
